The Honorable Samuel J. Stratton
House of Representatives
Washington, D. C.

Dear Mr. Stratton:

Thank you for your letter of 15 August concerning
Miss [redacted]

We are glad to know of Miss [redacted] interest in
employment with us and have written her to expect a call
from our field representative. A copy of that letter is
enclosed. It is doubtful that we could offer Miss [redacted]
a position combining the duties of a secretary with those
of a translator. However, when we have talked further
with her about her background and interests, we may well
find an assignment compatible with her qualifications and
employment interests.

Your referral of Miss [redacted] is appreciated and we
shall advise you of the outcome of her application.

We have been advised by the Honorable Samuel B. Stratton of your possible interest in employment with this Agency.

[Redacted] will be in touch with you shortly to arrange a meeting at a convenient time. At that meeting, he will review with you your specific employment interests and opportunities which may be available here for you.

We are enclosing application forms which you may wish to complete in the meantime and give to our representative when you see him. It is not essential that you have the forms ready at that time but it would be helpful to him in reviewing your qualifications if they were.

Sincerely,
